

Wisconsin Survey of 750 Adults

Conducted November 18-19, 2018

By Pulse Opinion Research

<http://www.pulseopinionresearch.com>

1* Do you support or oppose legalizing the recreational use of marijuana and regulating it like alcohol in Wisconsin?

56% Support

35% Oppose

9% Not sure

2* There is a bill in the Legislature to create the new mid-level profession of dental therapists, who would not require as much training or education as dentists. Would you support or oppose a proposal to allow dental therapists to perform most dental treatments, including irreversible procedures, like the extraction and drilling of teeth?

21% Support

57% Oppose

22% Not sure

3* Unlike in other states, Wisconsin patients are not able to require that their insurance companies pay their healthcare providers directly. When it comes to healthcare payments, do you support or oppose the idea that your health insurance plan should be able to directly pay health providers for care?

62% Support
7% Oppose
31% Not sure

4* Direct primary care is a flat fee-based model of healthcare delivery where a physician charges patients a monthly fee that covers all or most primary care services and doesn't involve insurance. Do you support or oppose legislation that would regulate direct primary care as insurance rather than a healthcare service?

32% Support
30% Oppose
37% Not sure

5* In order to cut down on healthcare costs, would you support or oppose a proposal that would allow you to use your health savings account to contract with a direct primary care physician?

48% Support
21% Oppose
31% Not sure

NOTE: Margin of Sampling Error, +/- 4 percentage points with a 95% level of confidence
